WALDRINGFIELD PARISH PLAN SURVEY 2014

Why we are asking you to complete this survey

The current Parish Plan was published in 2004. The information gathered has been used to inform Parish Council Policies and gave impetus to the formation of local interest groups such as WWG and WALGA.

Much has changed during the intervening years, on a national and global scale as well as much nearer to home. The move towards Localism has made it even more important for us to have an updated and expanded Parish Plan, one that is holistic in its scope and identifies the things that residents most value as well as aspects that we may wish to change or see as a challenge.

With the information from the questionnaire we will be able to publish a Parish Plan that will:

- better represent the views of the residents
- better influence future decisions of our Parish and District Councils
- be used as leverage to improve facilities and services
- identify local character and features that need to be protected

Completing the Survey

Please read these notes before completing the questionnaire. Use a black or blue pen. If you want to change your mind, just cross the tick out, and make another one. In questions which call for a number or a written response, please write as clearly as possible. If there is not enough room for your comments, please continue under question 58.

The Household Section

The first five questions are about your household. So, please will one person answer these on behalf of the whole household.

The Individual Section

The remaining questions are for every member of the household from the age of 11 upward to answer. There are columns for up to seven people. Each person should adopt a column and then answer in the same column throughout.

How we will use the data

Neither you nor your household can be identified from your responses. Each questionnaire is anonymous, and has only been produced in paper form in order to maintain that anonymity. The answers and comments will be collated as raw data, which will be analysed and sent to all residents in the form of a report.

Next steps will include a Parish meeting later in the year when we hope you will come and continue the discussion of the points raised before the final Parish Plan is published.

How to return the survey

Your questionnaire will be collected on

Alternatively, please deliver to any member of the Steering Group before that date. Names, addresses and telephone numbers of Steering Group members are listed at the end of the questionnaire.

Please place your completed questionnaires in a sealed envelope. Do not put your name on it. If you need assistance please ask the collector, or contact one of the Parish Plan Steering Group.

If you complete the reply slip associated with some of the questions, in order to maintain confidentiality please detach it from the back of the questionnaire and hand it in/deliver separately.

HOUSEHOLD SECTION

In this section, please will one person answer all these questions on behalf of the whole household.
